

1 routeways for these vehicles skimming on the ground. I
2 think this is a little dangerous, really, because I think
3 you are attempting to tie the Legislature, the hands of
4 the Legislatures of the future. I think -- I don't think
5 they are likely to overdedicate funds, because if
6 they find that they are getting in a bind, I think they
7 will pretty quickly undedicate these funds, so to speak.
8 I think it is essential that you have a dedication of
9 certain types of funds if you are going to perform this
10 type of long range function, such as the construction
11 and maintenance of highways.

12 MR. GOLDSTEIN: Let's take a second example
13 of what you are saying. When the Maryland Port Authority
14 was created, and I had a big hand in creating it, trying
15 to call it the Baltimore Port Authority, and it kept being
16 defeated, so as Chairman of Legislative Council, I said,
17 Change the name and make it Maryland Port Authority.
18 Then the question came, How are you going to finance it?
19 I want to go off the record here now.

20 (Discussion off the record.)

21 MR. SAYRE: You are saying, then, it is impos-
