

1 thing you are talking about, the new type road, using new
2 types of engines.

3 MR. SAYRE: I am not upsetting what is already
4 in existence. I am just concerned about the future.

5 MR. GOLDSTEIN: I think the less cluttered up
6 your Constitution, the better off you are. Leave it in
7 your basic Code. The Legislature meets every year. They
8 can change it if circumstances warrants it and the people
9 want it. I think it gives you more flexible government.

10 MR. MINDEL: I know it is getting late. I
11 would like to get back to the State Treasurer for a moment.
12 You seemed to stress the checks and balances. Isn't the
13 State Treasurer, unless a personal appointee of the
14 Governor -- doesn't the Legislature generally confirm the
15 Governor's recommendation of the State Treasurer?

16 MR. GOLDSTEIN: In my time, yes. In my time,
17 I have had the pleasure of voting for, by gosh, I voted
18 for one State Treasurer in the whole time.

19 MR. ENEY: That wasn't true in McKeldin's
20 administration.

21 THE CHAIRMAN: There was quite a fight on at
