

1 (Discussion held off the record.)

2 MR. SCANLAN: Would you say the dangers of
3 parochialism submerging a program by the only official
4 elected by an entire state are greater in the case of
5 unicameral legislation on a nonpartisan basis, such as
6 Nebraska, than they would be in a unicameral legislature
7 that was elected on a partisan basis, or am I back to the
8 question you went off the record on?

9 MR. KENTNER: Yes.

10 MR. SCANLAN: Your answer would be the same,
11 then, if we were on the record?

12 MR. KENTNER: Yes.

13 MR. MINDEL: Before we leave that; were efforts
14 made to go back to bicameralism in Nebraska and they all
15 failed? Can you tell us what happened to those efforts?

16 MR. KENTNER: There have been no serious efforts,
17 to my knowledge, to return. These were not serious, and
18 I think in one of these reports Governor Morrison is
19 quoted as saying unicameralism would win on the ballot by
20 seventy-five per cent, and I think this is a fairly con-
21 servative estimate.
