

1 non-competitive election for tenure.

2 MR. MARTINEAU: They do not have the election  
3 at all for tenure?

4 MR. WINTERS: No.

5 MR. CORY: These nominating commissions  
6 function at the end of the judge's tenure as well? In  
7 other words, if a lawyer goes on the bench and runs  
8 through his tenure and it is time for him to be elected  
9 again, does he have to be nominated again by the same  
10 commission or does he just automatically get a crack  
11 at going on the ballot?

12 MR. WINTERS: Only in two of those, with  
13 respect to the county courts of Denver, Colorado, and  
14 the juvenile court of Utah he comes up to the nominating  
15 commission again.

16 MR. MARTINEAU: He has to be reappointed?

17 MR. WINTERS: Because he has to be reappointed.

18 THE CHAIRMAN: In all of the others, his name  
19 automatically goes on the ballot for the non-competitory  
20 election and the commission is not involved. All he has  
21 to do is indicate his desire to run.
