

1 would tend to give the Committee background on the  
2 particular item I brought to your attention.

3 DR. BARD: Dr. Kuhn, I would like to ask you  
4 a question as a member of the Commission rather than as  
5 one who will have some comments on higher education in  
6 terms of the institution which I represent at this end  
7 of the table. Would you, in this discussion of higher  
8 education, be willing to see this as a discussion which  
9 would embrace not alone the University of Maryland, but  
10 all aspects of higher education? In a short statement?  
11 I agree that we couldn't have the long statement, for  
12 example, that existed in the 1864 Constitution on  
13 education, such as what Mr. Burgess referred to just  
14 before your statement. How would you see this, Dr. Kuhn?

15 DR. KUHN: It would seem to me that we would  
16 have to be sure in any language that it really did give  
17 this authority to the Board to manage the affairs of the  
18 institution, and I am making this a very brief statement,  
19 but this involves very many things. I think if we re-  
20 duced this to a question of whether one simple statement  
21 giving the opportunity for the boards involved and the
