

1 they had been appropriated from one State use to another?  
2 What would have to happen to amend the budget?

3 DR. ZIMMERMAN: Proof of the departments --

4 MR. ENEY: Within the limitation.

5 DR. ZIMMERMAN: Within the limitation of the  
6 budget.

7 MR. BROOKS: In this State, and there are  
8 some others, are they generally addressed to specific  
9 educational funds that are set up, say in regard to  
10 revenue amounts, that are set apart when they come in as  
11 educational funds?

12 DR. ZIMMERMAN: That is the section of this  
13 language, because originally we had a State tax for  
14 schools and this is called the State School Fund.

15 MR. ENEY: That is Mr. Brooks' question. He  
16 is saying that since we no longer have a school fund,  
17 is it important to retain this Section 3 of Article 8,  
18 the protection for the school fund?

19 DR. ZIMMERMAN: Yes, I think so, because the  
20 State School Fund was the only source of funds for the  
21 State-supported schools originally and now the general
