

1 funds appropriation is in fact the State School Fund.
2 Rather than have just a source that you can only spend,
3 and no more, now you have an appropriation.

4 MR. ENEY: There are still some funds that
5 are earmarked, that become school funds. Escheat moneys
6 come to my mind, as an example.

7 THE CHAIRLADY: I was so advised that those
8 were the only moneys so earmarked.

9 DR. ZIMMERMAN: Practically all the moneys
10 come from our school fund.

11 MISS STERN: The local communities get that.
12 I don't know whether the State gets that. Certainly,
13 Baltimore City gets that.

14 DR. ZIMMERMAN: I think that goes to the
15 local school boards.

16 THE CHAIRLADY: That doesn't amount to very
17 much, though.

18 MR. BROOKS: Mrs. Perkins wasn't sure there
19 was anything specifically designated to the educational
20 fund any longer.

21 DR. ZIMMERMAN: There is no earmarked fund,
