2 MR. SARTORIUS: The County provides a budget,  
3 a general budget, not on any pupil basis or any matching  
4 basis. They support a program of education. We offer  
5 the program of education. Even though we might be 100  
6 or 200 pupils over, it doesn't matter. Our estimates  
7 have been a little over a quarter of 1 per cent over.

8 DR. ZIMMERMAN: Frequently the County gets  
9 hurt because they employ a certain number of teachers  
10 expecting Y number of pupils and, if they don't get  
11 State aid, they have to support those teachers.

12 THE CHAIRLADY: Thank you. Is Mr. Raver here?  
13 Before you proceed, Mr. Raver, I wonder how we shall pro-  
14 ceed from here? It is a quarter of 1:00. I don't know  
15 what the desires of the Commission and the people who  
16 still haven't given us the benefit of their views may  
17 be about recessing? I for one would like to hear from  
18 everyone today, if that is possible, especially since  
19 they are here. What do you think, Mr. Eney?

20 MR. ENEY: I don't know. I imagine Mr. Beatty  
21 wants to speak and I don't know how many others.
