

1 a good program of education? Why is this less important
2 than the University of Maryland wanting to hire some re-
3 search professor? So, what I am saying to you is, and I
4 haven't written this here because I didn't want to get
5 into the matter of autonomy. I would plead with you,
6 if you want to go into the area of autonomy in higher
7 education, then I urge it be broad, complete, for all
8 institutions. I think you will find this will take care
9 of some of the problems Dr. Pullen and Mr. Eney were dis-
10 cussing, the matter of who gets in and who doesn't,
11 because somebody in higher education probably will have
12 to take care of these people. Dr. Bard will have to,
13 if the University of Maryland doesn't, and he will get the
14 funds to do so. So, this is important and again I repeat,
15 if anything needs to be added to this wonderful statement
16 in Section 1, it simply is to make sure that this matter
17 of a system of free public schools include higher educa-
18 tion. In other words, maybe you need another paragraph
19 or another section in this whole article -- I don't know
20 which would take care of this. If you put autonomy in
21 there, make sure it deals with the universities, the
