

1 program of free public education in each political sub-  
2 division of the State which shall be clearly designated  
3 by statute and from which no subdivision shall be exempted.

4 The legislature has a lot of power, but as  
5 Dr. Pullen said, every government legislature and leader  
6 should operate under suspicion and capriciousness some-  
7 times comes into the whims and actions of all of us. So,  
8 I would hope there would be an extension of a guarantee  
9 in this part of the statement.

10 I would call your attention finally to this,  
11 and shall provide by taxation, or otherwise, for their  
12 maintenance. This is splendid and this is becoming more  
13 and more important as time goes on because what this  
14 says here is that the responsibility lies with the State  
15 not to pay the whole bill, but it lies with the State  
16 first of all to provide some State funds; secondly, to  
17 determine the local share through certain ranges of  
18 taxation or otherwise and to accept and use properly the  
19 Federal funds made available for education. So, this in  
20 years to come will become even more important.

21 I shall not comment on Sections 2 and 3. It
