

1 unique relationship. I'm not going into this, but
2 merely drawing your attention to the fact that when
3 this is done, there should be some attention to this
4 factor.

5 THE CHAIRLADY: Thank you very much, Dr.
6 Bard. Mrs. Robie, who is a member of the State Board
7 of Education, but not speaking for it, as I understand,
8 might have a few words to say, nevertheless.

9 MRS. WILLIAM F. ROBIE: Madam Chairlady,
10 I am not here as a member of the State Board of Educa-
11 tion, but as a committee member that the Maryland
12 Congress of Parents and Teachers has formed to study
13 this, and we just heard of our appointment by mail
14 yesterday. So, you know that we were not prepared
15 to really make a statement. Although what I would
16 have to say would be just a word, but it has come from
17 my knowledge, again working through the P-TA's as a
18 member of the Maryland Congress of Parents and Teachers;
19 I was the immediate past president.

20 THE CHAIRLADY: Could you give us your
21 address, so we know where to communicate with you?
