2 DELEGATE HARDWICKE: May I try a different
3 approach? If we had a 100-day session or 80-day session
4 or 60-day session, we per se limit the kind of people who
5 can be interested. Only the lawyers, the insurance
6 people and so forth, and these are good people, but let
7 me throw something out that may be novel to you and that
8 would be the idea that we would have the legislature meet
9 every Friday and Saturday throughout the year, save only
10 July, August and December, and you would have a continu-
11 ous session. The number of days involved would still be
12 60 or 90.

13 You would make it possible for persons in
14 every walk of life to serve without ruining their busi-
15 ness or their profession, and I realize that from
16 Allegheny County or Garrett County to Annapolis is a long
17 way, but I think in terms of say major businesses and
18 major corporations, and I know how simple it is to
19 transport people from Cumberland by aircraft and other
20 means of transportation. This is done in only 45 minutes,
21 and I would earnestly suggest to you if you want to have
