

n years.

Actually, he was there and then

I will tell you what some of the
of doing, and I don't know why, but
of education into budget and out
education. Most of the real small
the Budget Office and get into
over the Board of Education of the
of that sort. I don't know why, but
the university, or something. This has
as many as ten budget officers in
Education bides them away.

Actually, the thing that we have
in with the various States where they
are the ones where they have had

Dick, can I ask a couple of questions?

AN: Go ahead.

Just a minute. One more statement.
a situation where I didn't see eye to
