

1 MR. BENTON: Here again, it's indicative of the  
2 arrangements that have been --

3 THE CHAIRMAN: Let me see if I understand your  
4 recommendations. You say the Municipal Court --

5 MR. BENTON: All Courts.

6 THE CHAIRMAN: Well, let's keep it to the  
7 Municipal Court. The Municipal Court should be paid for  
8 by the State and all revenues generated by that Court  
9 should go to the State? In other words, the State should  
10 operate the whole shebang?

11 MR. BENTON: Not just the Municipal Court.

12 THE CHAIRMAN: Well, I'm not saying just the  
13 Municipal Court. I am saying the Municipal Court.

14 MR. BENTON: Yes.

15 THE CHAIRMAN: The same for the People's Court?

16 MR. BENTON: Yes.

17 THE CHAIRMAN: The same for all the other Courts?

18 MR. BENTON: All the Courts, correct.

19 THE CHAIRMAN: In other words, the State picks  
20 up the tab for everything?

21 MR. BENTON: Yes.
