

1 how can it be complete?

2 THE CHAIRMAN: Well, you better ask him.

3 I don't know the answer to that.

4 MR. DONAHO: That's the point I am raising.  
5 I happen to know in other States, unless you define the  
6 treasury and define it broadly, people will get out from under  
7 of the tent, and maybe this is how you guys have gotten out  
8 from under the tent.

9 THE CHAIRMAN: It could very well be.

10 MR. BOND: Certainly, speaking for the Welfare  
11 Department, we want to stay under the tent because all the  
12 Federal Government can do now, they can either cut off all  
13 funds or they've got to let it all go ahead. Whereas, if  
14 we were under the special funds program, they would be  
15 saying, you've got to do this, do that.

16 THE CHAIRMAN: All right, anything else?

17 MR. DONAHO: I think anything else I have to  
18 say is self-explanatory in the particular notes that I have  
19 made on the various sections. Section 13 --

20 MR. BOND: On Section 6, you don't feel that the  
21 Public School System should be a sacred cow? Is that what
