3 the simple reason of Mr. Donaho's attitude that --

4 THE CHAIRMAN: Where does it protect you?

5 DR. SENSENBAUGH; It protects us according to the
6 formula that is established. I gather his philosophy is
7 that the budget each year should be a pliable thing which
8 can be adjusted downward or upward depending upon economics
9 of the time.

10 THE CHAIRMAN: That is what he said, of course,
11 but I don't see how --

12 DR. SENSENBAUGH: We need this protection against
13 him.

14 THE CHAIRMAN: We're not going to let him get
15 you.

16 MR. DONAHO: The rats are going to get into the
17 granary.

18 THE CHAIRMAN: But I don't see how the legislature
19 could ignore the requirement that it appropriates so many
20 dollars required by the formula which is the law of the land
21 until they repeal it, unless they repeal the law of the land.
