

1 THE CHAIRMAN: Well, it's \$340 a pupil?

2 DR. SENSENBAUGH: Per pupil.

3 THE CHAIRMAN: And then there is so much  
4 classroom and --

5 DR. SENSENBAUGH: No, not any more.

6 MR. PERKINS: That was changed last year.

7 DR. SENSENBAUGH: Basically it is pupil cost  
8 and, this cost, at least \$61 has to go into non-salary  
9 cost of education, and then it's inversely related to the  
10 wealth of the county or a subdivision, you see, so that  
11 Garrett County will get a bigger share of \$340 per pupil  
12 than Montgomery or Baltimore County, but no county gets  
13 less than \$98 a pupil. That is the real bulk.

14 MR. BOND: You mean the legislature says \$340  
15 per pupil shall be spent?

16 DR. SENSENBAUGH: Yes.

17 MR. BOND: And that changes from year to year,  
18 does it?

19 DR. SENSENBAUGH: On the basis of the number  
20 of pupils.

21 THE CHAIRMAN: But it doesn't mean \$340 per
