

1 improvements. However, I think you will find, Mr.
2 Clagett, that this Harford study, as I say, this is
3 current because, to my knowledge, no county has made any
4 fundamental change in its organizational structure since
5 Mr. Nash was doing his analysis back during the summer
6 and the fall.

7 THE CHAIRMAN: Well, of course, Dr. Burdett
8 is on a committee which has just been appointed in Prince
9 Georges County, and that committee actually is charged
10 with the responsibility of making a study and recommenda-
11 tions?

12 DR. BURDETT: Correct, but not to report until
13 July 1967.

14 THE CHAIRMAN: That is the only difficulty.
15 Nevertheless, it seems to me that by the presence of Dr.
16 Burdett here, we can aid him and he can aid us and,
17 regardless of what direction his report might take, a
18 lot of the material can still be gotten together and
19 certainly has to be a part of our absorption to come up
20 with our work product, to accomplish our purposes.

21 DR. BURDETT: We are going to have a full time
