

Contract for ventilating apparatus.

SEC. 2. *And be it enacted*, That the said board of public works be and they are hereby authorized and directed to contract for the construction of a proper ventilating apparatus for the two halls of the General Assembly in the state house, provided the cost of the same shall not exceed the sum of twenty-five hundred dollars, and provided further that no furnace or steam boiler shall be placed in any portion of the state house building.

Issue warrant.

SEC. 3. *And be it enacted*, That the comptroller of the treasury be and he is hereby authorized and directed to issue his warrant on the treasurer for such sum of money as may be due for said ventilating apparatus, under the contract made therefor by said board of public works, not exceeding, however, the said sum of twenty-five hundred dollars, the same to be so drawn upon the order of said board, and their certificate that the said ventilating apparatus has been placed in the said halls and is approved by them after due and proper test of its efficiency; and nothing contained in this act shall entail any expense upon the state in the event of the failure of said apparatus to properly ventilate said halls.

Certificate of efficiency.

SEC. 4. *And be it enacted*, That this act shall take effect from the date of its passage.

Effective.

Approved April 8, 1884.

Chapter 287.

AN ACT to extend the time for the completion of the road of the Baltimore and Drum Point Railroad Company.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the time for the completion of the main line of the road of the Baltimore and Drum Point Railroad Company be and the same is hereby extended to the first day of May, in the year eighteen hundred and ninety, and that none of the rights and privileges granted to said company by its original charter, or any supplement thereto, shall be in any

Time extended
