

## CHAPTER 286.

AN ACT to authorize the County Commissioners of Queen Anne's county to correct a mistake made in the locating of the public landing at Centreville Landing, in said county, and prescribing the way said correction may be made.

Preamble. WHEREAS, It was the purpose in establishing the public landing at Centreville wharf, on Corsica creek, that the southern line thereof should run with and along the divisional line between the wharf property of the late Augustus McCabe and that of Capt. C. H. Clash; and

Preamble. WHEREAS the Examiners in locating said landing, by reason of misunderstanding the location of said line, omitted a small triangular part of said Clash's land, and which now is of use to said Clash, and which he cannot reach except over the land condemned or the land of others; and

Preamble. WHEREAS this error and mistake was lately discovered, although the return of said Examiners was long since finally confirmed and ratified; therefore,

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the County Commissioners of Queen Anne's county are hereby fully authorized and empowered to have the County Surveyor relocate and resurvey said public landing in Corsica creek, at Centreville landing, so that the aforesaid divisional line shall be one of the lines thereof, and so that said public landing as relocated and resurveyed shall contain the same quantity of land and have at least as much water-front as it contains as now located and established, and to return to them his plat and certificate of the same.
