CHAPTER 477.

AN ACT to regulate the inspection and sale of commercial fertilizers in the State of Maryland.

To stamp manure.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That every package of commercial fertilizer sold, offered or exposed for sale for manurial purposes within this State, shall have plainly stamped thereon the name of the manufacturers, the place of manufacture, the net weight of its contents, and an analysis stating the per centum therein contained of nitrogen, or its equivalent in ammonia in an available form, of potash soluble in water, of available phosphoric acid, of moisture, and the materials from which said nitrogen, or its equivalent in ammonia, phosphoric acid and potash are derived, with an allowance of not more than two per centum variation in the amount of ammonia, three per centum of the amount of phosphoric acid, and one per centum of the amount of potash.

Take out license.

SEC. 2. *And be it enacted*, That every manufacturer, importer or dealer in commercial fertilizer, shall, before selling or offering to sell any commercial fertilizer within this State, take out a license for the sale of fertilizer, which license shall be rated upon the
