

dredge in any creek, cove, river or inlet in said county, nor within any of the waters designated by said County Commissioners as above mentioned, until said stakes be removed and said notice be given as aforesaid; and the said County Commissioners shall have power to apply the proceeds of said licenses of all vessels over ten tons, to maintaining and replenishing the oyster beds within the limits of said county, for the use of the citizens of said county, who may be duly licensed as hereinafter provided; and the said County Commissioners shall have power to make such regulations and designations in regard to grounds in the waters of said county, for planting or sowing shells for the propagation of oysters as aforesaid, as are necessary and proper, and shall mark said grounds by stakes, marks or buoys, and shall give notice by public advertisements when the oysters growing thereon may be taken as hereinbefore set forth, but they shall incur no expense beyond the revenue derived from said licenses and fines.

Proceeds,  
how applied.

SEC. 95. The Clerk of the Circuit Court for Somerset county, upon application of any citizen of Somerset county, being the owner of a canoe or other vessel, shall issue a license to such citizen authorizing him to take or catch oysters within the waters of said county, not parcel of any creek or river, subject to such regulations and designations as may be made by the County Commissioners relating thereto, with scoop, drag or dredge, which license shall hold good for one season only, and shall only authorize the catching of oysters between the first day of October in any year, and the first day of April next succeeding, on which last mentioned day the dredging season shall close and end in said county, and said license shall expire; which said license shall specify the kind of vessel to be used, the number thereof and the name, (if any), of the canoe or other vessel on which the said license is to be used; and he shall pay for said

Issue license.
