

keeping of wharves in repair, so as to prevent their injuring the harbor; and for preventing vessels from casting filth or ballast into the same; and to prevent filth, earth, shells or soil from being thrown from the wharves or land or houses into said harbor, so as to fill up the same, or obstruct the navigation thereof, and may impose fines for the breach of any ordinances passed under this section, not exceeding one hundred dollars for each offence.

Bailiffs. SEC. 16. That the Commissioners of said town may confer on their Bailiff or Bailiffs or other persons all such powers and authority as may be necessary to execute and carry into effect the provisions of the last preceding section.

Sinking fund. SEC. 17. That in case the County Commissioners should levy for the use of the Town Commissioners of said town any amount annually, to reimburse said Town Commissioners of said town for keeping up and repairing the county roads within the limits of said town, the amount thus levied and paid is hereby pledged and set apart for the purpose of creating a sinking fund for the payment of the interest and principal of the bonds or certificates of debts authorized to be issued under section forty-two of this act.

Assessment. SEC. 18. That the Commissioners of the said town may cause an assessment to be made from time to time, from the books of the County Commissioners, by some person or persons by them appointed, of the property real and personal in the town; and whenever they may deem it necessary for any purpose connected with the government, regulations and improvement of the town, levy upon the property assessed such tax not exceeding in any one year fifty cents in each one hundred dollars of such assessment, as they may deem necessary, but no assessment for town pur-
