

1 DR. BARD: It is used here not in the sense  
2 of social security in the modern term. The word security  
3 was used.

4 THE CHAIRMAN: Any further discussion of  
5 Mr. Case's motion? Ready for the question?

6 MR. MILLER: Would the Chair please state  
7 the question?

8 THE CHAIRMAN: The motion is to refer back  
9 to Committee Section 1 of the proposed draft with  
10 instructions to prepare either in a preamble or in one  
11 or more sections or a combination the substance of  
12 the present Articles 1, 4, 6, and the first clause of  
13 Article 7 of the Declaration of Rights without provision  
14 for violent overthrow of the government and report back  
15 to the Commission. Are you ready for the question?

16 DR. BARD: I have a question in regard  
17 to that. I would tend, because I think this is going  
18 to come up in regard to other sections, I would tend  
19 to feel we ought to leave it to the Committee and not  
20 say to them to incorporate all this but I would like to  
21 amend it to read where in their view it seems appropriate.
