

1 property rights, or do they mean voting rights? Do they
2 include housing? I don't know that housing has ever
3 been given any determination as being civil rights. How
4 would it be enforceable if you included housing? Would
5 it include the right to open occupancy, as is now being
6 suggested by the various laws proposed on that subject?
7 You just open a door to problems, to litigation, which
8 I don't think would be fruitful in the long run. The
9 United States Constitution has no such provision. The
10 United States Constitution under equal protection laws
11 has been given all the scope and all the general, broad
12 base enforcement in the various areas in which Dr. Jen-
13 kins is asking. I just feel that we should stick with
14 the equal protection which has been found to be, to
15 have some meaning, some real meaning.

16 THE CHAIRMAN: Any further discussion? Mrs.
17 Bothe?

18 MRS. BOTHE: I would like to point out that the
19 present Constitution is replete with references to
20 segregation and voting of white male citizens, which we
21 discussed last night, et cetera. All of these things
