

1 governor, but we had a number of telephone calls of
2 people saying that it should have been lettered in red
3 because you still couldn't find it. It was just too much
4 black area and too small a white area.

5 GOVERNOR LANE: These are the official counts.

6 THE CHAIRMAN: Governor Lane has just handed
7 me these figures. He says official figures on a total
8 of 1323 precincts out of 1492, the votes for, 129,535,
9 and the votes against, 23,923. The figure has gone up
10 since the last one I had. Thank you, Governor.

11 I would like to take this opportunity to tell
12 the Commission and in this way to express my thanks
13 and that of the Commission to the Citizens Committee
14 for a terrific job of educating the public on the Consti-
15 tutional Convention Referendum. You know that a 58-member
16 Committee undertook to publicize the Convention. They
17 succeeded in getting literally thousands of dollars worth
18 of publicity at no cost at all by having large advertisers
19 and other people donate time or space as a matter of
20 public service.

21 The pamphlets mailed out by the Extension Ser-
