10 MR. CASE: Mr. Chairman, I have a question.
11 Did you say our Report would be considered at the October

13 THE CHAIRMAN: Not your First Report, your
14 Second Report which deals with budgetary provisions touches
15 on education. So that all of you will have in mind what
16 the tentative agenda is, let me just state it now. We
17 hope to conclude this afternoon the Report of the Committee
18 on Legislative Department, the Ninth Report on the Committee
19 on Executive Department, and the Seventh Report of the
20 Committee on Elective Franchise dealing with elective
21 franchise.
