

1 thirds, whatever fraction the Commission wants, of the
2 entire Legislature, not of those present.

3 DR. BARD: This is the way we wrote it.

4 THE CHAIRMAN: Any further discussion? All
5 right, then the first question to be put up is the ques-
6 tion of whether the ratio, whatever it may be, should
7 be a percentage of the whole membership, the total elected
8 membership, or the percentage of those present. The
9 Committee recommends that it be a percentage of the
10 whole membership; a vote Aye is a vote in favor of the
11 ratio of the whole membership, and a vote No would be a
12 vote for the percentage of those present. Ready for the
13 question? Those in favor of the Committee's recommenda-
14 tion that it be a percentage of the whole membership,
15 signify by a show of hands.

16 Contrary? The motion is carried, 17 to 1.
17 Now, the next question to consider is whether the ratio
18 should be two-thirds or three-fifths, or some other number.
19 Is there any further discussion of that question?

20 DR. BARD: The only thing I would like to say
21 is, we felt it was extraordinary. However, I don't want
