

1 to require production of witnesses and records by requir-  
2 ing a two-thirds vote of the appropriate House authorized  
3 to compel the attendance of a witness against his will  
4 before the Legislature or any legislative committee or  
5 the production of books and records.

6 You ready for the question? Those in favor,  
7 please signify by a show of hands. Lost, 6 to 13.

8 Does anybody else desire to submit a motion?

9 MR. HOFF: I would like to submit the same  
10 motion and eliminate the two-thirds and make it a simple  
11 majority of the Members present.

12 THE CHAIRMAN: Can we do that without further  
13 discussion?

14 MR. GENTRY: Call the question.

15 THE CHAIRMAN: The same motion except that the  
16 required action of the legislation be by simple majority  
17 of the Members present instead of two-thirds, of the  
18 appropriate House, I take it?

19 MR. HOFF: Yes.

20 THE CHAIRMAN: Those in favor, signify by a  
21 show of hands. Contrary. The motion is carried, 13 to 6.
