

1 point, I guess.

2 THE CHAIRMAN: Which point?

3 MR. SAYRE: The meaning of expel.

4 THE CHAIRMAN: Right, go ahead.

5 MR. SAYRE: Was the motion to have clarification?
6 Was that the motion?

7 THE CHAIRMAN: Yes.

8 MR. SAYRE: I will second that.

9 THE CHAIRMAN: Discussion?

10 MR. SAYRE: In Section 16 where we talk about
11 impeachment, it seems to me that we don't have a much
12 more restricted meaning for the word, expel; we are actually
13 giving impeachment powers under the word, expel, and I
14 think that we must define the word, expel, and I am certain-
15 ly for the provision of not being punished a second time for
16 the same offense.

17 DR. MICHENER: It has the term, punish. For
18 lesser things, by suspending them from the floor or
19 revoking his right to sit in the Legislature as a whole.
20 I think it is quite clear what the Committee meant, and I
21 thought it was clear here.
