

1 prefer a vote on the issue as presented.

2 THE CHAIRMAN: Mr. Sykes, I think we would make
3 better time if you will not submit that as an amendment,
4 but save it as a motion to be made after we vote on this
5 one.

6 MR. SYKES: All right, I will do that.

7 THE CHAIRMAN: Mr. Hoff, I sense that there are
8 some who would favor your motion if it were for a longer
9 period of time. In the light of the discussion, do you
10 want to stand on the 25 years or do you want to change it?

11 MR. HOFF: I would suggest, Mr. Chairman, that
12 perhaps after the 25 years is defeated, you might try 30.

13 THE CHAIRMAN: I assume we have had enough
14 discussion. In order to move quickly, I propose to submit
15 to you for consideration the section as proposed to be
16 amended with the limitation of 25 years. Following that,
17 if it is defeated, with one submitting 30 years and one
18 submitting 35 years, and then I will recognize Mr. Sykes
19 to submit his motion which could be submitted, regardless
20 of whether the Commission does or does not adopt the year
21 limitation.
