2 MR. CLAGETT: I think that pretty well covers
3 it, Mr. Chairman, except I think it should be more specific,
4 in a schedule, in the Constitution.

5 THE CHAIRMAN: We talked about a saving pro-
6 vision in the Constitution and no one has undertaken to
7 draft it. Any further discussion of this section?
8 Mr. Sayre?

9 MR. SAYRE: I would move this motion to submit
10 for consideration, to be reported back at the next meeting,
11 something to the effect, and I'm going to borrow bodily
12 from the Alaskan Constitution, the proceeds of any State
13 tax or license shall not be dedicated to any special
14 purpose except when required by the Federal Government
15 for State participation in a Federal program. This pro-
16 vision shall not prohibit any programs existing from the
17 date of ratification on the people of Maryland, and we
18 could add to that, if it is a problem, any existing
19 assets or credit given contrary to the provisions of this
20 Constitution otherwise proper and legal shall be honored
21 to the date of their termination.
