

1 that not applicable to the Supreme Court and the Appellate  
2 Court?

3 THE CHAIRMAN: Limited to the Superior Court  
4 only.

5 MR. CASE: In those cases the districts are  
6 sufficiently broad.

7 MR. MARTINEAU: It seems to me the one problem  
8 you raise wouldn't be solved by your motion, and I wonder  
9 why it wouldn't be better to go ahead and try to make it  
10 applicable to the Supreme Court and to the Appellate Court.  
11 I think it is invariably going to be true that Baltimore  
12 City is going to be an appellate judicial circuit for  
13 both of those courts, and this is really where the  
14 problem arises.

15 MR. CASE: The more I think about it, I think  
16 there is a lot of force in what you are saying, Bob,  
17 particularly the situation that has pertained recently in  
18 our State where positions on the Appellate Courts have  
19 been filled by promotions from the Circuit Court. So it  
20 would be pretty incongruous to have members of the Circuit  
21 Court sitting side by side, yet one be eligible for the
