

1 would continue to receive that amount of money until they
2 retired.

3 JUDGE ADKINS: From whom, the State or county?

4 THE CHAIRMAN: I am not so sure that that would
5 follow.

6 MR. MARTINEAU: I think some provision would
7 be made so it wouldn't be reduced, but if it were reduced,
8 I don't think this Constitution would prohibit it, because
9 this would be a new Constitution which would establish
10 a new salary rate, and it would only be that salary that
11 could not be reduced. It is only a salary voted under
12 this Constitution which could not be reduced.

13 THE CHAIRMAN: Mrs. Bothe?

14 MRS. BOTHE: Just a small point in connection
15 with that, the next to the last sentence in the second
16 paragraph which says that no judge shall receive except
17 as provided herein, any remuneration. There is no
18 remuneration provided in the Constitution.

19 MR. MARTINEAU: No, but it provides he shall
20 be compensated by the State.

21 MRS. BOTHE: It should say that.
