

1 would like to make this statement if you don't mind:
2 I am a Member of the Declaration of Rights Committee,
3 but because of my activities in the past couple of months,
4 I wasn't able to attend a couple of the previous meetings.
5 As a result, the memorandum does not include my name on
6 the, as one of the signatories to the memorandum. I would
7 like to make note here that I am in agreement with the
8 memorandum and would like to have my name declared in-
9 cluded in the signatures.

10 THE CHAIRMAN: Very well, Mr. Della. Is there
11 any objection? If not, then I suggest that Mr. Gentry,
12 you read first Section 1, which will for the sake of
13 clarity, we will call the revised draft, and then ultimate-
14 ly read Section 1 of the Committee draft, and we will
15 then vote as to which goes in the Report, and which goes
16 in as the alternate.

17 MR. GENTRY: Firstly, Mr. Chairman, because
18 of the style in which the memorandum was presented, it
19 does not show clearly that it represents a Report. I
20 would like the memorandum to be included either as minutes
21 of this meeting or as a memorandum of our Committee.
