

1 that the word, liberty, was to be put in the Committee's
2 draft.

3 THE CHAIRMAN: Where does it go?

4 MR. GENTRY: Before security.

5 THE CHAIRMAN: After the word, their, and
6 before, security, the word, liberty. Now then, the
7 question will arise on the motion as to whether the official
8 draft shall include the revised Section 1 on Page 2 or
9 the Committee draft on Page 3. Now a vote Aye is a vote
10 in favor of the revised draft. You vote Aye, you will
11 substitute the language on Page 2 for the three-line Sec-
12 tion on Page 3. Is that clear? All those in favor of
13 the revised draft, signify by saying Aye. Contrary, No.
14 The Noes seem of have it. The Noes have it. Now, Section
15 2.

16 MR. GENTRY: Section 2 was incorporated, those
17 parts of old 13 and 40 that the Committee found to apply
18 and read:

19 The people shall have the right peaceably to
20 assemble and to petition the government for the redress
21 of grievance.
