

1 think that we ought to, I guess the motion is not in order,  
2 but what I would like to do is that the Section on the  
3 Committee's language, the second sentence of it be deleted,  
4 and in place thereof, the language, Every man shall have  
5 the right to worship or not to worship as he thinks most  
6 acceptable, be substituted in the Committee's version.

7 THE CHAIRMAN: I was proceeding the way I did  
8 because, quite frankly, I thought those feeling as you  
9 do would vote for the revised version which seems to me to  
10 carry out.

11 MRS. BOTHE: It doesn't, sir.

12 THE CHAIRMAN: What you don't like, I take it,  
13 is the third paragraph?

14 MRS. BOTHE: That is right.

15 THE CHAIRMAN: We will entertain a motion to  
16 amend Section 3 of the Committee Section. State it again.

17 MRS. BOTHE: Every man shall have the right  
18 to worship or not to worship as he thinks most acceptable  
19 and no person shall be disqualified, et cetera.

20 THE CHAIRMAN: Is there a second?

21 DR. BURDETTE: Second.
