

1 and the Committee version, the Committee version appears
2 in the draft as the preferred version, and the revised
3 draft appears as the revised alternate. Now, if there
4 is going to be any debate about the rest of this Article,
5 I will have to cut it off, because we have to decide this
6 question immediately. I have been over them. I assume
7 all of you have been over them. I believe the changes
8 made and indicated are those that the Commission directed
9 at the last meeting.

10 Is there any question or comment or motions
11 with respect to any of the remaining Sections? I don't
12 think we need to take any other action, then, but that
13 we consider that as approved tentatively.

14 Now, with respect to the Preamble -- yes,
15 Mr. Sayre?

16 MR. SAYRE: Section 7, and to examine under
17 oath, I thought we should have, oath and affirmation.

18 MR. GENTRY: It was felt it never caused any
19 problem, the substitution of an affirmation in place of
20 an oath and in the Declaration of Rights language, you
21 wouldn't need to be so specific as you would in a statute,
