

1 some kind of mixed classification on several criteria,  
2 because you've used the plural here?

3 THE CHAIRMAN: It could be.

4 MR. SYKES: Well, in that case, it wouldn't  
5 necessarily dissolve. That is, there might be additional  
6 criteria added in, to play games, and the past legislation  
7 might not be dissolved. I'm not sure and I'm a little un-  
8 happy.

9 THE CHAIRMAN: Unless there is any other point  
10 somebody else desires particularly to make, in view of the  
11 commitment which I made, I would like to stop the debate  
12 at this point. It is now past the hour of 4:30. Does any-  
13 body have a point they particularly want to get off their  
14 chest?

15 If not, I can only express to you my very sin-  
16 cere appreciation for your patient attendance.
