7 THE CHAIRMAN: Because of the lateness of the
8 hour, I think we had better go ahead without waiting for
9 the other Members.

10 We circulated just the day prior to the last
11 meeting the July minutes. We did not act on them at that
12 meeting because you had not had the chance to read them.
13 Are there any additions or corrections of those minutes?
14 If not, they will stand approved as circulated.

15 The minutes of the August meeting were in the
16 folder handed to you this morning. We have not had the
17 chance to read them, and we will not act on them now.
18 I do hope to act on them before the conclusion of this
19 session. If you possibly can, will you please look them
20 over at some interval during the sessions today or tomor-
21 row?

The Secretary is not here. John, do you have
anything to report?
