

1 receipts for capital projects?

2 MR. CASE: This does not deal with the bond  
3 issues.

4 MR. HAILE: Sometimes it deals with road  
5 projects.

6 MR. CASE: It deals with any expenditures of  
7 general fund revenues no matter what it may be used for.

8 THE CHAIRMAN: Any further questions?

9 I have one question. I assume the parenthetical  
10 phrase in the second, third and fourth lines are phrased  
11 in that manner because of the fact that you might not  
12 perhaps have the session begin on the third Wednesday in  
13 January?

14 MR. CASE: This is subject to any change that  
15 the Commission desires to make.

16 THE CHAIRMAN: I wonder if it would be desir-  
17 able -- I take it, the budget is to be only at a regular  
18 session, and I wonder then if it would be desirable to  
19 say in that parenthesis, then not later than ten days  
20 after the convening of the General Assembly in regular  
21 session.
