

1 at the bottom of Page 16, handicapped children. That is
2 a program which says, in effect, that the State shall,
3 through the local School Board, shall pay X-number of
4 dollars. I think it is \$800 a year for the education of
5 handicapped children who qualify. Now, they can raise
6 that if they want to, a thousand or 1500, or they can
7 eliminate it altogether, by statute.

8 MR. SCANLAN: How many other States have a
9 provision in their Constitution which would prohibit or
10 would make it mandatory on a governor of a sovereign
11 state to accept the school system's budget as certified
12 to him by the people most interested in it, namely those
13 administering the school system?

14 MR. CASE: Again, Al, I can't say. We didn't
15 make a compendium of other States. I think it is fair
16 to say there are few, there are but few.

17 MR. SCANLAN: Very few?

18 MR. CASE: Yes.

19 MR. SCANLAN: What was the answer to the pro-
20 ponents, those who wanted to keep this language or the
21 language you have arrived at, what was their answer to
