

1 THE CHAIRMAN: Any further questions or comment?

2 JUDGE ADKINS: Should the term, Superior Court,
3 is that the court that has the responsibility for pre-
4 paring the judicial amendments?

5 MR. CASE: Yes. It is supposed to dovetail
6 with Judiciary. I think it does.

7 THE CHAIRMAN: Before we pass on, I would like
8 to clarify something by asking several questions: As I
9 understand Subsection 3, the budgets of the Legislative
10 Department, Judiciary Department and the State support
11 to local schools to be included without change by the
12 Governor are only such parts of those budgets as prescribed
13 by law. In other words, you couldn't by either of these
14 departments increasing the salaries provided by law or
15 provided for provisions required by law, require the
16 Governor to include them in the budget?

17 MR. CASE: I think the word, required, deserves
18 emphasis here, because I misstated it myself. I said as
19 provided. The word, required, makes your point abundantly
20 clear, I think.

21 THE CHAIRMAN: I take it, therefore, that this
