

1 would have to include an appropriation to carry out that  
2 program?

3 MR. CASE: He would put it in. It wouldn't be  
4 a mandated item because it wouldn't fall within the pro-  
5 vision of 3.

6 THE CHAIRMAN: No, but would it fall in this,  
7 is my question, would it fall within the provision of the  
8 next to last sentence of Section 2, that the budget shall  
9 contain an estimate of all appropriations required by  
10 this Constitution or by law?

11 MR. CASE: I think that is probably right. If  
12 the Legislature passed an act which they have never done,  
13 as far as I know, saying that there shall be appropriated  
14 from year to year out of the general funds of the State  
15 \$10,000 for each of the State supported colleges of higher  
16 education -- that is what you are saying?

17 THE CHAIRMAN: Or a dollar amount per student.

18 MR. CASE: Or a dollar amount per student,  
19 then very obviously it would have to go in.

20 MRS. FREEDLANDER: I wanted to say some higher  
21 education is included in the junior colleges. Isn't that
