

1 please signify by a show of hands.

2 MR. BIDDOKS: Twelve.

3 THE CHAIRMAN: Contrary?

4 MR. BROOKS: Five.

5 THE CHAIRMAN: The motion is carried, 12 to 5.

6 Any further discussion of Subsection 3?

7 MR. MILLER: Mr. Chairman, I don't want to  
8 belabor the subject. I gather my motion may not even  
9 be seconded, but I share some concern. I can understand  
10 why the Governor's hands should be tied as far as doing away  
11 with the other two coordinate branches of the Government,  
12 but I don't see a need, in spite of what the Committee  
13 says, in the Constitution for this making as Mr. Scanlan  
14 says, of broad power in the State. I would therefore  
15 move that we strike from Section 3, beginning on Line 4,  
16 and for State support to local school systems as required  
17 by law.

18 THE CHAIRMAN: Is there a second?

19 MR. SCANLAN: I will second the motion.

20 THE CHAIRMAN: Do you wish to speak further,  
21 Mr. Miller?
