

1 do mean change in A and C.

2 MR. CASE: I would personally feel that the
3 word, affect, having been in the Constitution and been the
4 subject of at least administrative interpretation, ought
5 to be the one to remain. We know what it means; maybe
6 not as a purist in the English language, we know what it
7 means, but we know as a practical working day matter what
8 it means.

9 MR. MILLER: Would the word, increase, accom-
10 plish the goal instead of just say, affect, or change?

11 MR. CASE: No. If you said, increase, by
12 hypothesis you could decrease.

13 MR. MILLER: Would there be any objection if
14 they wanted to?

15 MR. CASE: Absolutely. That is the heart of
16 this provision, it can't be changed.

17 THE CHAIRMAN: Any further question?

18 Mr. Sykes?

19 MR. SYKES: I wanted to make a motion.

20 THE CHAIRMAN: Let's get the questions first.

21 MR. CLAGETT: Mr. Chairman, assuming for the
