

1 pointed out in his presentation that this language would
2 have to be changed by the Committee on Style to conform
3 to it, so that you probably would not need the detail
4 that is referred to in this Section.

5 MR. GENTRY: Excuse me. You could save about
6 five lines.

7 THE CHAIRMAN: Any further questions? Are
8 there any comments?

9 DR. BURDETTE: I have two questions: Does the
10 Committee intend by this Subsection that the General
11 Assembly initiate a supplementary bill?

12 MR. CASE: Yes.

13 DR. BURDETTE: The second question relates to
14 this budget estimate arrangement. Why wouldn't it be
15 worthy of consideration that these supplementals provided
16 for by Subsection 4 either be within the budget estimates
17 or provided for by tax? Do you make a point that they are
18 always of late in a budget estimate but maybe of late
19 doesn't mean forever? I don't know.

20 MR. CASE: This does that, in effect, because
21 it says that -- it defines the supplement, let's call it
