

1 MR. CASE: May I say something else?

2 THE CHAIRMAN: Mr. Case?

3 MR. CASE: I told Mr. Sayre that I thought it  
4 was a tremendously interesting point and one which  
5 probably deserves study, and I will try to do that study,  
6 but I don't want to be under compulsion if I don't get  
7 it done to be drummed out of the court for nonobservance  
8 of an order.

9 THE CHAIRMAN: If there is no further discus-  
10 sion of this Report, we will take a recess for just a  
11 few minutes.

12 (At this time a short recess was taken.)
