

1 matter, not required by the Commission.

2 MR. CASE: The Commission has voted on this  
3 subject once.

4 THE CHAIRMAN: It simply rejected a motion  
5 to require the Committee to make this change. It did  
6 not affirmatively say they could not make the change.

7 MR. CASE: That is a lawyer's answer if  
8 ever I heard one.

9 THE CHAIRMAN: The matter had been committed  
10 to the Committee to study the matter and come up with  
11 a representative solution or solution that would give  
12 representation throughout the state to the number of  
13 signatures required. A motion at the August meeting  
14 was instead to require the Committee to adopt this  
15 recommendation. That motion was defeated.

16 I take it it was then left to the Committee.  
17 I was merely inquiring of Mr. Gentry whether his  
18 Committee was acting under the misapprehension they were  
19 required to make this change because his comment so  
20 indicated.

21 MR. SCANLAN: In view of, I won't say the
