

1       uncertainty of the legislative history of this proposal,  
2       but in light of Mr. Case's point, would the Chair enter-  
3       tain a formal motion moving the adoption by this  
4       Commission of Section 9 as recommended by the Committee?  
5       If it is proper, I would like to make that motion.

6               THE CHAIRMAN: Under our procedure unless  
7       there is objection or a motion to reject the section,  
8       it is adopted.

9               MR. SCANLAN: I understand that. I thought  
10       because of this peculiar prior history --

11              THE CHAIRMAN: I have no objection.

12              DR. BURDETTE: What is the motion?

13              MR. SCANLAN: That we adopt Section 9 as  
14       proposed by the Committee.

15              JUDGE ADKINS: Second.

16              DR. BURDETTE: Has the Committee considered  
17       this situation which I am indebted to Mr. Mitchell  
18       for pointing out the problem? If we do go into  
19       classification of counties and allow legislation by  
20       classification and we had one big county classified in  
21       with a group of small counties, the big county having  
an overwhelming majority of the population in the
